

“TOMORROW”

ANNIE

The sun'll come out
Tomorrow
Bet you recess duty
That tomorrow
There'll be sun!

Just thinkin' about
Tomorrow
Maybe Jason will be
Gone, tomorrow
That'd be fun!

When I'm stuck in a room (A)
That's cramped,
And stinky,
I just grab the febreze
And squeeze,
And Say,
Oh!

When the desks are a mess
I stress,
and worry,
So I go to the hall
and ball
And Say,
CRAP!

The sun'll come out
Tomorrow
Thank the lord it's just
'half-day tomorrow,
Then Saturday!
Tomorrow! Tomorrow!
I love ya Tomorrow!
You're always
A day
A way! (repeat back to A)

The sun'll come out
Tomorrow.
Maybe they'll all pass their
Tests, tomorrow
All get A's!
Tomorrow! Tomorrow!
I'll be back, tomorrow!
There's always
A hug
Each day!

Tomorrow! Tomorrow!
I love ya Tomorrow!
You're always
A day
A way!

Tomorrow! Tomorrow!
I'll be back Tomorrow,
There's always,
A hug
Each day!
