Arts Education Project - Artist in Residence

_____ School _____ grade teachers developed

this Artist in Residence project with ICA Teaching Artist _____

titled _____

The Learning Targets for students include:

This project was supported by an Idaho Commission on the Arts _____ QuickFunds, _____ Arts Education Project grant.

The Idaho Commission on the Arts, Arts Education Program provides support for diverse and challenging arts learning in schools and communities. The Commission believes that all young people should have an arts education that is curriculum-based, linked to content standards, and enriched by ongoing opportunities to work with artists and community-based authentic arts resources.

Funding for this Art Education Project is provided by the Idaho Commission on the Arts, through grants that support substantial activities that unite effective practice in education and the arts, and that involve schools, artists, and community organizations..
